

Willunga Primary School Stick Agreement

We use sticks in the allocated stick areas for creative and imaginative play.

When moving sticks:

- Walk
- Drag long sticks behind us with the point on the ground
- Carry short sticks by our sides

When building and making:

- Only use sticks found on the ground
- Share the sticks with each other – only use what you need
- Leave other people's creations alone

Sticks are left outside in the stick area

Sticks are NOT:

- Weapons
- For poking people
- To be pulled off trees
- To be thrown

Be sensible and responsible.
