## Paying Account Fees

Willunga OSHC/Vacation Care Service is a Non-For-Profit Business that is funded entirely from the fees that each family pay to use the service. We do not receive any other funding, as such, the financial viability of the service relies heavily on all OSHC/Vacation Care Users maintaining regular payments of their Account Fees for use of this service.

### There are several ways to make payments.

We accept Cash, Cheque and Money Orders (via the School Finance Office)  
QKR app and online payments BSB 105108 ACC 025412940 are preferred.

It is a condition of access to the service that all account holder contributions are paid in a timely and consistent manner as outlined below to avoid possible suspension of service.

Invoices are issued weekly, typically the Monday following the week of care. This intermission allows for Centrelink to process each account's CCS (Child Care Subsidy).

### Account Terms and Conditions of Service Use

- Accounts are to be paid in full, **WITHIN SEVEN (7) DAYS** of issue of each invoice.
- When the account holder uses OSHC, they are to be prepared to pay the fees of service. The account Holder can calculate expected fees if they are aware of their CCS Percentage. Please do not allow fees to accumulate.
- If for any reason, OSHC Fees remain unpaid for more than 28 days, the account holder will be sent a **reminder notice** and suspension of service may result if outstanding charges are not rectified. This will impact access to future Vacation Care Programs.
- If fees remain outstanding after issuing a reminder, a **final notice of demand** will be issued giving the account holder Seven (7) days to settle the account.
- If the account is not settled after the conclusion of Seven (7) days' notice, the account will be handed over to the **eCollect Collection Agency**. eCollect will commence legal action to recover outstanding fees, plus expenses.
- Invoices are issued via email. It is the account holder's responsibility to check for invoices each week and contact the OSHC Director if one has not been received.

### Absence Charge/Casual Surcharges & Late Collection Fees

- We strongly advise account holders to choose permanent bookings as it assists the OSHC/Vac Care Team in activity preparation, excursions, incursions, and the Director in Staffing.
- Permanent bookings are offered at a discounted rate.
- When casual bookings are made, there will be a **\$3.00 (morning) & \$5.00 (afternoon) surcharge** applied to the account.
- We require **2 weeks' (14 days) notice of cancellation of permanent bookings**. 24 hours' notice of absence at a minimum. The account will be charged with an absent fee if notice if not given in writing (email, text message, communication booklet).
- In emergency situations, charges may be waived at the discretion of the OSHC Director and/or with a Medical Certificate.
- A Late Collection charge of **\$15 (per ¼ hour increments)** will apply to accounts if children are collected after 6.30pm.
  - Eg; 6.31pm – 6.45pm = \$15 / 6.46 pm – 7.00 pm = \$30. (see Collection and Delivery of Children Policy)
  - After 7.00 pm Authorities will be notified of abandoned child.

If we have not had contact from you stating your reason for being late for collection, we will make every effort to contact you, followed then by your choice of Authority Collectors before calling Authorities and charging your account.

## Parental Responsibility

### Parents

All parents have powers and responsibilities in relation to their children, which can only be changed by a court order. The Children's Services Regulations 2009 refer to these powers and responsibilities as "parental responsibility". It is not affected by the relationship between the parents, such as whether they have lived together or are married. A court order such as under the Family Law Act may take away the authority of a parent or may give it to another person.

### Guardians

A guardian of a child has lawful authority. A legal guardian is given lawful authority by a court order. The definition of "guardian" under the Children's Services Act 1996 also covers situations where a child does not live with his or her parents and there are no court orders. In these cases, the guardian is the person the child lives with who has day-to-day care and control of the child.

## Behaviour Guidelines Policy 15c

At OSHC/Vacation Care, everyone has the right to feel safe and secure and enjoy their time in this space. It is everyone's responsibility to ensure this happens.

Within the service environment, the OSHC Team and children work collaboratively to define appropriate consequences for the actions of those who are not respectful or considerate in the safety of others.

Willunga OSHC/Vac Care Service has clear steps for unacceptable behaviours, these are in line with the school policies and procedures.

Willunga OSHC Team believes that to effectively guide behaviours, we need to ensure children and staff alike are continually guided positively and encouraged towards acceptable and inclusive behaviours in order to maintain their self-esteem, dignity and personal integrity.

The behavioural expectations are as follows:

- We respect and care for ourselves, other children, OSHC Team and OSHC property.
- We work and play safely and cooperatively
- We follow directions of the OSHC Team
- We stay inside the supervised boundaries

**OSHC Team are to act on any inappropriate behaviours and/or actions quickly and discreetly, while following the NQS Guidelines.**

The following steps are introduced when expectations and guidelines are not being followed:

1. The person is reminded of the guideline/expectation
2. Redirection from area of play/activity
3. If behaviour continues, there will be a loss of privileges for a short time, e.g.: iPad use, returning to activity, outside play.
4. If behaviour is continually defiant and steps 1-3 are not being adhered to, families will be notified.
5. Once behaviour becomes unsafe to self or others, families will be contacted to collect person immediately.
6. Repeated behaviour will result in consultation with families to negotiate and formulate a behavioural plan.
7. If all the above steps prove unsuccessful, the person may be asked to leave the program and further bookings cancelled.

Future bookings may be negotiated at the discretion of OSHC Director and School Leadership.

**Please discuss these steps with family members to ensure they make informed choices based on the appropriate consequences mentioned.**

We respect and care about your family; we work very hard to ensure their mental and physical wellbeing and for our service to remain a safe and enjoyable environment for all who attend.

Members of Willunga OSHC are reminded regularly to adhere to guidelines, policies and follow expectations promptly and without confrontation, to ensure continued use of the service.
