

SITE IMPROVEMENT PLAN 2024

MATHEMATICS

"If we foster student agency in a mastery-orientated mathematics classroom, then we will improve student achievement in mathematics."

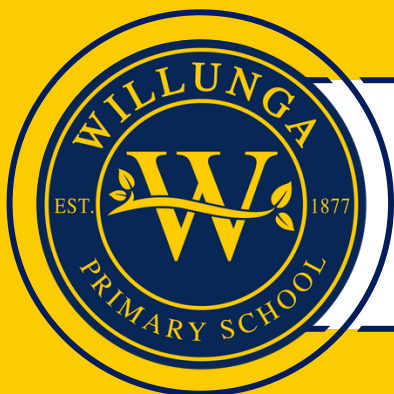

WRITING

"If we foster student agency using a writing teaching and learning cycle, with an intentional focus on sentence structure and punctuation, then we will improve student achievement in writing."

PHONICS AND PHONOLOGICAL AWARENESS

"If we use evidence of student learning readiness, learning progress, and knowledge of individual student learning profiles in phonological awareness and phonics to make adjustments for individuals so all learners experience challenge, success and improved learning, then we will improve student achievement in reading."

SPECIALIST TEACHERS

"If we foster student agency in a mastery-orientated classroom, then we will improve student achievement."
