# Have you supplied your child with the following?

## Named HAT

This does not have to be a school hat, any bucket, legionnaires, or wide brim hat is welcomed.

We welcome you to name a spare hat and leave it with us at OSHC/Vacation care for future occasions, we will keep it safe, washed and separate to our own spare hats, so other children do not have the use of it.

## Enough FOOD

As we do not supply afternoon snack during holidays, we ask that your child has enough food to cover our 3 breaks, recess, lunch, AND afternoon tea, we encourage children to choose some food from their lunchbox to save for afternoon snack.

## Named WATER Bottle

While we do have an accessible water drinking station for children to access within the OSHC Room, however, we ask that each child has their own named drink bottle that they can refill as needed.

## Named Extra Clothing

We do have heaters/coolers in the OSHC Room; however, many children still enjoy a good play outside during Winter/Summer. Please supply your child with a rain jacket and gum boots on those very wet days, and jumpers for the cold days and Sun Safe t-shirts for the hot days, and ensure they are named so we can get them back to you.

Dear Parents/Caregivers

From 2023, Willunga OSHC/Vacation Care has considerably increased in children's attendances, which is really exciting! 😊

To ensure your child/ren are booked in and don't miss out on exciting excursions, we have implemented a few changes to bookings and fees.

Excursions are no longer available to walk-ins; you must book your child in to access the programmed excursion.

Previous holidays have managed walk-ins, however, due to our increase of attendances, we can no longer offer this presumed availability. Please call on the day to determine availability.

Our bus services are booked for a strict number of available seatings for ratioed children and Educators.

Walk-ins can change that seating availability, necessitating in our refusal of attendance.

We are all experiencing the increased cost of living, so too are the bus services and excursion hosts.

Where we can, Willunga OSHC/Vacation Care will keep fees at current stated charges, for more complex and engaging excursions, there will be an additional fee to help cover costs.

Booking your children into these excursions indicates your understanding of the additional fee on those particular excursions.

As per our policy, once children are booked into any Vacation Care Day, there will be no cancellations accepted unless a minimum of 14 days' notice has been given via email, text message, or communication sheets on sign in desk.

Medical certificates are accepted for absents; however, they do not cover the entire charge.

Centrelink contributes CCS to 42 absent days per calendar year. Once those 42 absents have been exhausted, each Medical Certificate affords an additional day to be covered with CCS.

If you haven't visited with us for 14 consecutive weeks or more, please check your My Gov or Centrelink app for a task to confirm you are using our service again to re-establish any eligible CCS you are entitled to.

We look forward to continuing to provide your children with exciting and engaging programs during School Holidays 😊

Look out for our program on the Willunga PS website, the Audiri (formally Skool Bag) app, our OSHC Facebook page, within the OSHC Room or from the front office from Week 8, each term.

We can also email you out a copy, please contact the OSHC Office on 0438761656 or email Nikki on [Nikki.Cook953@schools.sa.edu.au](mailto:Nikki.Cook953@schools.sa.edu.au)

Thank You

Your OSHC/Vacation Care Team
